

# Patents on SonoSim Technology

| Patents  | Date Filed | Patent Number | Date issued |
|--|------------|---------------|-------------|
| Improved Multimodal Ultrasound Training System   | 5/25/12    | 8,297,983     | 10/30/12    |
| Multimodal Ultrasound Training System  | 9/23/11    | 8,480,404     | 7/9/13      |
| System and Method for Teaching Basic Ultrasound Skills   | 12/17/13   | 9,870,721     | 1/16/18     |
| Embedded Motion Sensing Technology for Integration within Commercial Ultrasound Probe                    | 5/25/12    | 10,026,338    | 7/17/18     |
| System and Method for Extended Spectrum Ultrasound Training Using Animate and Inanimate                  | 11/19/14   | 10,380,919    | 8/13/19     |
| System and Method for Augmented Ultrasound Simulation using Flexible Touch Sensitive Surface             | 2/13/15    | 10,380,920    | 8/13/19     |
| Method for Ultrasound Training with a Pressure Sensing Array   | 8/21/17    | 10,424,225    | 9/24/19     |
| System and Method for Converting Handheld Diagnostic Ultrasound Systems Into Ultrasound Training Systems | 6/30/16    | 10,726,741    | 7/28/20     |
| System and Method for Multisensory Psychomotor Skill Training  | 1/25/18    | 10,896,628    | 1/19/21     |
| Embedded Motion Sensing Technology for Integration within Commercial Ultrasound Probe                    | 7/17/18    | 11,062,624    | 7/13/21     |
| System and Method for Teaching Basic Ultrasound Skills   | 1/15/18    | 11,120,709    | 9/14/21     |
| System and Method for Extended Spectrum Ultrasound Training Using Animate & Inanimate                    | 8/12/19    | 11,315,439    | 4/26/22     |
| Ultrasound Trainer with Internal Optical Tracking  | 1/30/20    | 11,495,142    | 8/11/22     |
| System and Method for Extended Spectrum Ultrasound Training Using Animate and Inanimate                  | 11/19/14   | 11,594,150    | 2/28/23     |
| Ultrasound Case Builder System and Method  | 9/28/16    | 11,627,944    | 4/18/23     |
| Embedded Motion Sensing Technology for Integration within Commercial Ultrasound Probe                    | 7/13/21    | 11,631,342    | 4/18/23     |
